7. - A collection of articles from the Post or Times of special interest to the Agency on the cornerstone date. It would be interesting to future Agency people to see what issues we were concerned with "way back then."
 - Agency telephone directory.
 - Photographs of Headquarters before new construction began, including aerial views.
(Submitted by [redacted] NPIC/ESG/G&PD/RSB).
8. A microfilm/microfiche list of the true names of all of the Agency's employees as of the date of capsule emplacement.
(Submitted by [redacted])
9. - A 3380 direct access storage device--the mainstay of our computer storage capabilities.
 - The computer code for the Agency's payroll system (not the data, just the program code).
(Submitted by [redacted])
10. A copy of the Groundbreaking Photographs booklet from the 24 May 1984 ceremony.
(Submitted by [redacted] DDO [redacted])
11. A copy of the 1984 special issue of Studies in Intelligence, "OS Intelligence and Vietnam" (copy forwarded by suggestor).
(Submitted by [redacted] OTE/CSI).
12. An employee badge.
